Dear Friend,

Take a look at this graph of the Idaho State Senate:

If you're conservative... *this is bad news.*

Because *the* Institute for Legislative Analysis recently found that of all the state legislators in America, (over 5,000 of them) Idaho has some of the country's most liberal Republicans!

They even found California Republicans to be more conservative than ours!

This is a big problem.

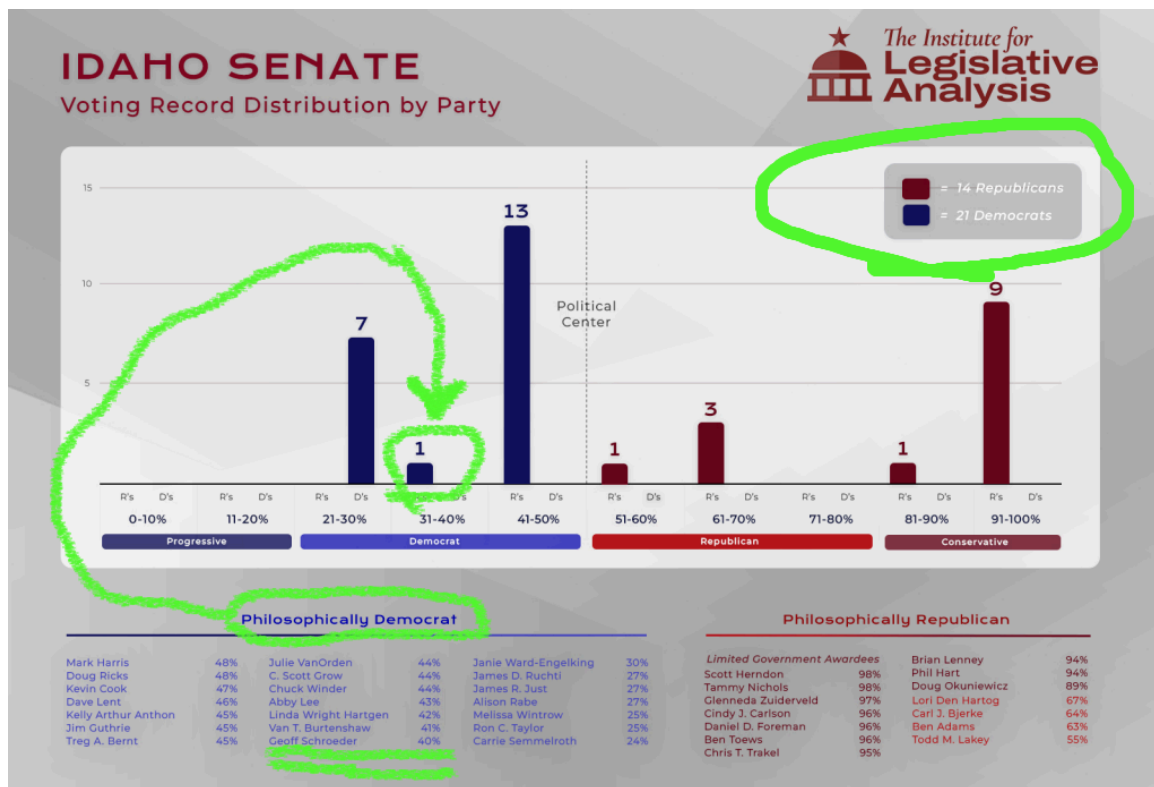

Because...

I believe that within the next year or two, Idaho could turn blue, following the path of states like Colorado, Oregon, and Washington.

And it's liberals like Geoff Schroeder who are steering us towards the cliff.

Take a look at the [full graph](#)...

See where they put Geoff?

Wild isn't it?

According to the study, he's the most liberal Republican in the Idaho Senate!

- He was one of only FIVE Republicans who joined the Democrats to **vote AGAINST protecting minors from sexual mutilation** (aka "the trans bill")...
- He **voted for the socialist "Idaho Launch"** bill to give away free college tuition (except, it's NOT free... you and I have to pay for it)!
- And if you look at the way he voted on spending bills, *you won't find much difference between him and the Dems!*

No wonder they said he's "philosophically a Democrat."

He doesn't even pretend to be conservative!

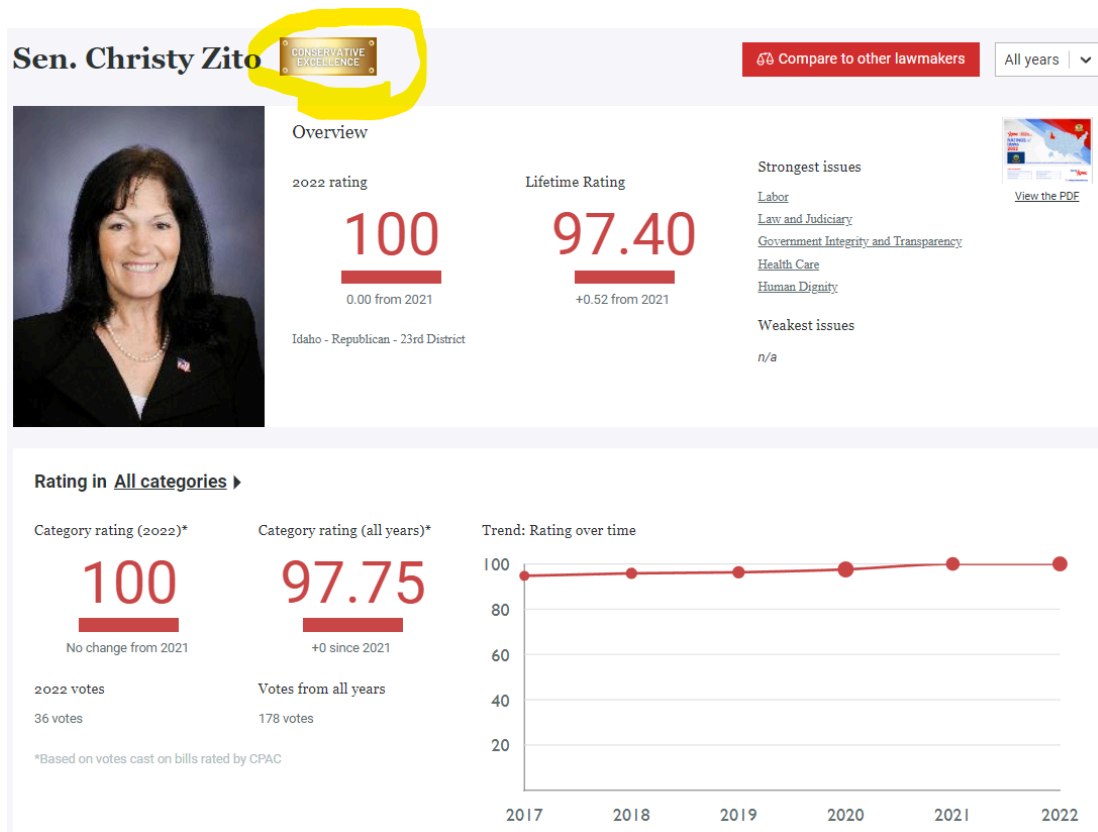

Which is why I've made it my mission to send him packing in May 2024.

I'm Christy Zito.

I served in the Idaho legislature from 2016-2022, and unlike "Liberal Geoff," I proved myself as one of Idaho's conservative champions, year after year (after year).

So much so that my chart looks... a little different. ;)

Take a look:

A 100% conservative rating!

The American Conservative Union honored me with the "Award for Conservative Excellence" multiple times, and The Idaho Freedom Foundation consistently awarded me an A+ year after year.

However, I gotta be honest...

I planned to retire from the legislature forever in 2022.

But **NEVER did I ever** expect a "philosophically Democrat" guy like Geoff to swoop in and take my old seat!

So after watching how he performed in 2023...

I felt COMPELLED to rejoin my conservative colleagues in the Senate in their fight to keep Idaho from going over the cliff.

So now, my only question to you is...

Will you join me?

Because the liberal elites, bureaucrats, and the Democrats would LOVE to turn Idaho into a progressive swampland.

And with the leftist machine backing "Liberal Geoff" every step of the way, I need your support to take back my seat in what I expect to be a robust and relentless battle.

Your contribution of \$2,000, \$1,000, or even \$500 isn't just a "donation"...

It's a declaration that you're sick of phony conservatives ruining our state and you refuse to let Idaho go without a fight!

So what do you say? Is Idaho worth saving?

If you want a conservative fighter in District 8, please contribute to my fight. Together, we can ensure that Idaho remains the land of the free for generations.

Sincerely,

Idaho's "Fighting Senator"
