

Precinct 70 – Mores Creek Committeewoman

Vote: Betty Jean Mollenkopf, Incumbent

Dear Constituents of Precinct 70 – Mores Creek:

I have had the honor to represent and meet many of you here in Precinct 70, Mores Creek. As incumbent, I humbly ask for your vote again on May 21, 2024 to keep Boise County a Republican stronghold in Idaho.

Many Republicans recognize we are a nation in peril under the current Biden administration. We must bring change in the upcoming election or many fear for the survival of America. I have volunteered for years with the Idaho Republican Party to uphold our Constitutional Republic and Idaho's constitution. I receive no compensation for the hours and travel expenses I donate to the cause of freedom.

I have served two terms as your committeewoman for Boise County's Precinct 70 – Mores Creek and Chair of the Boise County Republican Central Committee. During my time as your Precinct Committeewoman and Chair, we have accomplished much including bringing online a modern IDGOP Boise County website. Boise.IDGOP.org We have yearly Lincoln dinners in Boise County to celebrate Republican values. These Lincoln events are held throughout the country as fundraisers for local Republican Central Committees. We have fun at these events but also bring information to fellow Republicans along with interesting speakers and candidates. The past two years, Steve Moore, Central Committee Treasurer, has chaired our successful Lincoln event while also preparing the dinner's tri-tip barbeques.

I represent Boise County throughout Idaho, not just Boise County, and often attend District, Region and State meetings. I am often found at the Capitol Building in Boise speaking on pending legislation. I attend the weekly Boise County Commissioner meetings to hear what is happening locally. I hold office with the IDGOP Region 3 where Boise County will soon become part of the new Region 6 which includes Valley, Custer, Gem, Elmore and Boise counties. Last summer I flew to Denver, Colorado, with Idaho's GOP Chair, Dorothy Moon, attending the National GOP fly in event representing Idaho counties for precinct committeeman and chair training.

Most recently, I coordinated Boise County's successful Presidential Caucus working closely with all Boise County Precinct Committeemen. Together, the IDGOP put on an exceptional Presidential Caucus on March 2, 2024. The cost was zero to Idaho taxpayers. As you know, Donald J. Trump won in Idaho and all Idaho voting delegates at the RNC will go to him.

It is a great honor for me that I have been selected as one of Idaho's 32 voting delegates to the National Republican Convention where we will bring Donald J. Trump in as our candidate for President this July in Wisconsin. I am proud to represent Boise County and all of Idaho at this most important Republican National Convention.

Now is not the time to change your Precinct Committee person. My opponent has not been involved with the Republican Party at any level. He even failed to help with or attend the Idaho Republican Presidential Caucus in his neighborhood. Now is not the time for a person not fully committed to the serious tasks at hand. We need experienced Republicans in place for what is coming our way. Sadly, in many Idaho counties, Precinct Committeeman candidates are carefully placed Lobbyists trying to dramatically alter Idaho's Republican values. In Ada County alone, such Lobbyists have filed trying to take over 15 Precincts.

I would appreciate your vote on May 21, 2024 so I can continue to represent Boise County throughout Idaho and the Nation. Should you have any questions, please contact me at 208.968.9416 or submit via our Boise County Republican website Boise.IDGOP.org. Together we can all help to keep Idaho Republican from the grassroots level of Precinct 70 – Mores Creek. Please share this with your neighbors in Precinct 70.

Yours in Liberty,

Betty Jean Mollenkopf
Chair – Boise County Republicans
Incumbent – Precinct 70 Mores Creek
